Biography

John Stuart Fishback joined Reed Hilderbrand in 2015 after practicing for ten years as an Associate at Rios Clementi Hale Studios in Los Angeles. He brings extensive detailing, documentation and construction experience from working on such notable projects as Los Angeles' Grand Park and the Columbia Square Redevelopment. John is proud to be a part of the Reed Hilderbrand team and participate in their work, including Harvard's Allston Expansion, the Beaver Country Day School and Pier 4 Waterfront Park and Plaza in the Seaport District of downtown Boston. John is a licensed Landscape Architect who earned a Masters Degree in Landscape Architecture from California State Polytechnic University and a Bachelor of Arts Degree in Visual Communications from Loyola University of Chicago.
